Re: Transition of The Wright Law Office

Dear Clients:

It has been a privilege to serve your estate planning and Medi-Cal planning needs over the years. I am writing today to share some important news regarding the future of The Wright Law Office.

After the passing of our son, Attorney Bill Wright, and with over 34 years of practice, we are retiring effective February 23, 2026. While this marks the end of a chapter for our family, our primary concern is ensuring that your legal affairs remain protected and that you continue to receive high-quality legal counsel.

To ensure a seamless transition, I have selected Stacy Bowman of Coleman and Horowitz, (661) 325-1300, 2032 17th St, Bakersfield, CA 93301, to take over the practice. I have chosen Stacy because of her expertise in California estate law and I am confident she and her staff will provide the same level of care and attention you have come to expect.

Kristin will be transitioning over to Coleman and Horowitz to continue providing you with all your assistance in qualifying for Medi-Cal, your Medi-Cal renewals and other estate planning needs. Please keep track of your Medi-Cal Renewal dates and contact Kristin at Coleman & Horowitz for any assistance you need in moving forward with your Medi-Cal benefits.

All original estate planning documents prepared by our office were provided to you after your signing. There is no hard file held within our office.

Stacy Bowman is already familiar with our office's standards and is ready to assist you with any estate planning updates, Medi-Cal planning or Medi-Cal renewals.

We want to express our deepest gratitude for the trust you placed in our office. Protecting your family's legacy and navigating the complexities of Medi-Cal and estate planning has been deeply rewarding work. I wish you and your family the very best.

Kind Regards,  
Larry L. Wright, Linda Wright, In Memory of Bill Wright
